

INT. CHURCH - NIGHT

Dean and Charlie (Buzz and Woody), in aisle of pews, hold a man's limbs. The man has a familiar large body and a puncture wound to the neck. A line of blood follows them down the path.

Suddenly-

WOOP WOOP WOOP

Blue and red lights seep through the stained glass windows. They look to each other, no words can be exchanged. Hearts pounding, they drag the body. At the entrance hangs an oversized LED neon exit sign. The sign sparks, sprinkling purple dust below. They push the doors open.

EXT. CLUB POOL - CONTINUOUS

Feet meeting the edge of the pool, they catch their reflection staring back at them. The girls clasp their hands together.

A familiar Russian voice softly echoes-

VOICE

Ready?

They accept and jump.

INT. POOL

Dean and Charlie are consumed by the effervescence.

After a long moment, the crash subsides.

Charlie floats, motionless. Dean, gone.

Silence

Then-

Charlie comes to. Charlie searches the darkness. Dean is nowhere to be found. Giving up, she fights her way to the surface. The pool grows deeper and deeper. She is running out of air.

BEEP BEEP BEEP

EXT. CLUB POOL - THE NEXT MORNING

Charlie jolts awake. She lies on a lawn chair, in her, now damp, Buzz costume.

A dumpster truck rumbles by.

VIKTOR

No. No. No. You. You. Get out.

Viktor is at the gate. Charlie clenches her eyes shut and groans.
